1.) If the transfer information you provide is incomplete, the Credit Union will not be able to process the transfer request. Transfers will only be sent to recognized creditors or financial institutions and will not be sent to your home or billing address. 2.) Please continue to make your minimum required payment until the requested transfer payment appears on the account's billing statement. The Credit Union is not responsible for any remaining balance on that account, or any finance or other charges you incur due to delays in transferring a balance. 3.) If you transfer to an account for a transaction you dispute, you may lose some or all of your rights against the other creditor. 4.) While the Credit Union can pay your accounts directly, the credit union cannot close them for you. If you wish to close any of the transfer accounts, you must do so yourself. 5.) In some cases, the Credit Union may not be able to process a balance transfer request. Your account must be in good standing with an available balance equal to or greater than the amount of the balance transfer request. 6.) Balance transfer finance charges will be processed the same as a cash advance against the approved Erie Federal Credit Union MasterCard credit card.

By signing, I authorize the Credit Union to pay on my behalf each balance or portion of balance that I have designated and acknowledge that I have read the terms and conditions above.
